

Make Safety Part of the Day

MONDAY MOVEMENT

How everyone is moving.?
Are they rushing, preoccupied, distracted and are they putting their eyes before their body?

TUESDAY TWOS

Are staff working in pairs when necessary. ?

WEDNESDAY WATCH

Watch for opportunities to promote safety.

THURSDAY TURNS

Ensure staff are turning and repositioning residents safely. Inspect to see if feet turn with body.

FRIDAY FALLS

Identify Residents who are at risk for falls. ~~Staff need to be reminded~~ not to catch a falling Resident. Are spills identified and cleaned up immediately. ?

SATURDAY SWEEP

Scan areas for potential hazards to safe Resident and/or Material handling.

SUNDAY SLOW

Encourage staff to be methodical with their pace of work.
